

# BLUE STRIPE® Heavy Duty Substation Sticks

Our Substation Sticks are robust, compact and built for heavy duty substation applications. **All Heavy Duty Substation sticks come standard with a Rubber Boot.**

Key features include:

- **Dual Button Design For Added Strength**
- **High Performance Closed Cell Foam Filled Inner Section**
- **Compact Telescopic Design**
- **Patented BLUE STRIPE® Alignment Feature**

Our BLUE STRIPE® Fiberglass Hot Sticks meet all applicable industry standards, including OSHA Sub V Sec. 1926.951(d) and ASTM F711.
