

Blanket Mate Heavy Duty Blanket Holder - Instruction Manual

The Blanket Mate safely and securely positions a rubber insulating blanket.

1. Carefully insert the yellow eyelet of a Blanket Mate into the hole on an insulated rubber blanket.
2. Add more Blanket Mates as needed to support the weight of the blanket.
3. Attach the Blanket Mate(s) to a transformer, cabinet, or other metallic surface as necessary. The eyelets allow for gloved or shotgun stick operation.
4. Remove Blanket Mates before storing blanket.
