

BLUE STRIPE® Cloth

Size: 18" x 18" (approximately)

Microfiber silicone impregnated hot stick wiping cloth.

Our unique microfiber material both contains more silicone and traps more dirt, dust and debris. Our cloth comes with a durable clear bag that is resealable.

The BLUE STRIPE® Cloth imparts a clear protective film of silicone on a hot stick. It complies with the OSHA requirement of daily inspection and wiping of high voltage rated fiberglass hot sticks.

OSHA Requires Daily Inspection & Wiping of Hot Sticks.

BLUE STRIPE® Wipes

Size: 8" x 12" Towel

Our daily hot sticks wipes are pre-moistened with silicone to leave behind a thin protective water repellent surface.

Perform a light cleaning and leave a thin layer of silicone on your hot stick every day to comply with OSHA requirements of daily inspection and wiping of high voltage rated fiberglass hot sticks.

Our BLUE STRIPE® Wipes come in our convenient dispenser box of 50 to mount on a wall.

BLUE STRIPE® Hot Stick Wax

14 oz. can

Our high grade Carnauba wax creates a high temperature, water resistant durable finish on fiberglass, gelcoat, painted metal and wood surfaces.

A good coat of Carnauba wax on any fiberglass product is recommended on a routine basis. Carnauba wax inherently repels water and dirt to optimize dielectric properties. Stay OSHA compliant and extend the life of your hot stick with our BLUE STRIPE® Hot Stick Wax.

Create a High Temp, Water Resistant Finish

BLUE STRIPE® General Purpose Cleaner

1 US Gallon as mixed

We have created a specially formulated neutral cleaner for tools, trucks, fiberglass, painted surfaces, rubber goods and most any non-absorbing surface.
