

INTRODUCING THE

LOAD-RANGER®

FLEX-LT™

PORTABLE LOAD BREAK TOOL

FLEX Head

Rotates 180° to significantly reduce most binding positions

Lighter Weight

A pound lighter than the competition

Broadest Operation Range

Specially designed to have the broadest operation range of any Load Break Tool available

Innovative. Safer. Smarter.

Machined Components

All LOAD-RANGER® FLEX-LT™ tools are built with heavy duty components that are machined, not cast.

Rigorously Tested

The tool has been tested thoroughly to prove it stands up to the demands of repeated use.

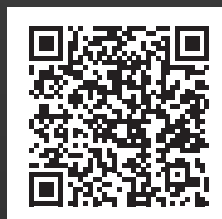

Fast Inspection & Servicing

The LOAD-RANGER® FLEX-LT™ is specifically engineered to be inspected and serviced in minutes using only 2 tools.

Factory Repair Service

Utility Solutions offers Factory Certified Repair services for our Load Break tools. This ensures the safest and most reliable tools are in the field and ready for live line work.
